

12 Nov 2018

Dear Parents and Students,

Romsey Ninja Warriors, it's your time to shine!

On Friday 14th December we will be having our first Ninja Warrior obstacle course as our final fundraiser for the year.

The RPS Ninja Warrior will require students to navigate their way through a range of obstacles which have been designed by the classes. Some of these obstacles may include, commando crawl, balance beams, tyre hop and hay bale climb just to name a few. Each grade will be enlisting parents support to source the materials, build the obstacles and dismantle them at the end of the day.

Each student is encouraged to find sponsors. They can be sponsored for a pre-determined amount or an amount per lap. Your child's teacher will count the laps on the day. Our **goal for each student is \$25.00**

The money raised through sponsorships will then be used to buy lego robotics for our new STEAM Program.

The event will be held in the afternoon. Preps – 2 and Year 3-6 will compete at different times. The students will have 45mins on the course to complete as many laps as they can. Parents, friends and family are invited to come along and join in the fun. Parents will be asked for a donation to participate in the course.

As a safety precaution parents / guardians should ensure children do not engage in door to door soliciting without being adequately supervised by an adult.

Sponsorship forms need to be returned on Friday 14th December, so that the child's total laps can be recorded on it. We are asking that all money be returned to school no later than Monday 17th December.

INCENTIVES!!

There are great incentives:

A \$50 Coles Myer gift card for the child who raises the most money in each area Prep, Year 1/2, Year 3/4 and Year 5/6. Plus there is a chance to win one of two \$50 Coles Myer Gift cards for those who raised over \$50, which will be randomly drawn

Good Luck and enjoy the event !

Thank you in anticipation of your support with our Ninja Warrior event as we endeavour to raise funds for our robotic lego.
