4<sup>th</sup> November 2021

Dear Parent/Guardian,

Romsey Primary School is looking forward to another great year of teaching and learning and would like to advise you of Romsey Primary School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best well rounded education possible for our students. We hope that you will continue to support our school by making a contribution.

Within our school your support will allow us to: ensure the upkeep of our large and substantive grounds, continue to provide a safe outdoor learning environment for all students, provide a Kitchen Garden Program, Apps and computer programs, undertake incursions and excursions, maintain first aid supplies, support the School Wide Positive Behaviour model, Kimochis wellbeing program and library facilities.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Kimberley Nicholls

## Refunds

Our school will consider requests for partial or full refunds of payments made by parents on a case by case basis taking into account the individual circumstances, whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy and any other relevant information. Generally, we will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party.

Due to the need to pre-book venues and buses, the school has a 'no refund' policy for camps, sports and excursions/incursions, which will be clearly stated on all forms. (NOTE: Under extreme circumstances the Principal can authorise refunds – this may require a medical certificate or similar).
