Our School Values Are: *Respect Integrity Responsibility*

I respectfully acknowledge the Traditional Owners of Country throughout Victoria and pay respect to the ongoing living cultures of First Peoples.

It has been another busy fortnight at RPS, with plenty happening both in and out of the classroom!

Last Friday, our amazing Parent Club held our annual school disco, with this year's theme being Winter Wonderland. It was a fantastic night, and our students represented RPS beautifully, displaying our school values throughout the evening. It was wonderful to see so many smiling faces and some very impressive dance moves!

A huge thank you to the 24 volunteers, made up of staff and parents, who generously gave their time to make the evening such a success. A special thank you to Ben and Luke for running the BBQ, Gracie for keeping everyone dancing with the music, Mrs Perryman for creating a fantastic atmosphere with the lights, and of course our special guest Polar Bear, who was definitely a highlight at both discos! Events like these simply wouldn't be possible without the wonderful support of our school community.

This week we have also celebrated Science Week, with students participating in a range of exciting science incursions across Tuesday, Wednesday and Thursday. Thank you to Mrs Andrea for organising these experiences for our students.

Today was our much-anticipated Book Week Parade, and it was wonderful to see our students dress up as their favourite characters and embrace their love of books and reading. There were some fantastic and very creative costumes on display! Thank you to Mrs Stewart for organising such a great day.

Coming Up

Things certainly aren't slowing down as we head towards the final weeks of Term 3!

On Monday 24 August at 9:30am, we will hold our final 2027 Prep Parent Information Session. If you have a child starting Prep next year, or know someone who does, please contact the school office to book a place.

Next week, our Year 1/2 students will participate in their swimming program throughout the week. Families are encouraged to keep an eye on Compass notifications and the News Feed for further information and reminders.

As we begin planning our classes and staffing for 2027, we are also starting to look closely at anticipated student numbers. If you know that your child will be leaving RPS or moving to another school in 2027, we would appreciate you letting the office know as soon as possible. This information is extremely helpful with our planning.

In Week 8, beginning Monday 31 August, we have more exciting events to look forward to. Our Father's Day Stall will be held on Thursday, followed by our Father's Day Breakfast and Open Classrooms on Friday.

SPORT REPORT

COBAW ATHLETICS

On Friday 14th of August, we had 36 students travel to Bendigo for the COBAW district athletics event. Students competed in a wide range of running, jumping and throwing events.

We had a number of students do very well and be competitive in the events that they competed in. Hendrik Dutton won his 9/10 boys 100m and Long Jump and will now represent the school at the division event later this term. Miles Gray and Levi Kavalko came second in their 800m events and are invited to compete at the division event. There were a number of students who finished 2nd, 3rd and 4th events and should be proud of their efforts.

Thank you to Thomas and Ani Green who provided their expertise on the High Jump and Mr Maslen who is now a master of how to record and run the High Jump. Thanks to Kerrin Pritchard who assisted with the relay changeovers, these can be a bit chaotic and she did an amazing job. Thanks to all other parents who came along to support the school. I also want to thank the students when asked and answered yes straight away to help with the discus. We had a couple of injured students during the day, so I thank the students who filled in without hesitation for them.

We have built a strong culture of support and want to be a part of sport at Romsey Primary School and is a great feeling to see so many students giving it their best on days like this one.

Respectful Relationships – Term 3

Every class in the school participates in the Respectful Relationships program.

This term our topic is **Topic 7 - Gender Norms and Stereotypes**

Students consider the influence of gender norms on attitudes, opportunities and behaviour. They learn about gender equality, inclusion, human rights and the importance of relationships that respect people of all genders.

Overview of activities for this term

Foundation (Prep)

Activity 1: Who am I? Different things to know about me

Activity 2: Thinking about a future me

Activity 3: Anyone can choose

Activity 4: Everyone can be strong and gentle

Level 1-2

Activity 1: Identity – comparing personal preferences

Activity 2: Labels are for jars, not for people

Activity 3: What is fair play?

Activity 4: Ways to be gender fair

Level 3-4

Activity 1: My individuality – The many facets of me

Activity 2: Exploring gender stereotypes through stories

Activity 3: We can challenge gender pressures

Activity 4: Rights and responsibilities

Level 5-6

Activity 1: Talking about gender – from inclusive language to inclusive actions

Activity 2: Born or made? The intergenerational gender machine

Activity 3: Facts about gender and equality of opportunity

Activity 4: Media messages, gender policing and peer pressure

Respectful Relationships education is a core component of the Victorian Curriculum from foundation to year 12. The Respectful Relationships program supports schools to promote and model respect, positive attitudes and behaviours. It teaches our children how to build healthy relationships, resilience and confidence.

The Respectful Relationships classroom program is informed by a strong evidence base that highlights the elements of effective practice in enhancing student learning about social and emotional learning and respectful relationships. The learning materials use a range of collaborative learning strategies which in themselves, provide opportunities to develop social skills. Activities include paired sharing, small group problem solving, scenario-based discussions, skill development exercises, role plays, storytelling, games and class discussions.

If you have any queries regarding the topic this term and/or activities outlined above please do not hesitate to contact your child's classroom teacher or contact Leanne Stewart (Mental Health & Wellbeing Leader).

Celebrating Hannah's Tennis Achievement

During the week of **4–8 August**, Hannah Mitchell proudly represented Victoria at the **National Indigenous Tennis Carnival** in Darwin, alongside her brother, Brock Mitchell, and the Victorian team.

The carnival is a unique all-Australian state event that brings together **tennis, culture and educational activities**, encouraging young people to grow both on and off the court. The event places a strong emphasis on **connection, teamwork and community**, with teams competing for the highest overall point tally across the week rather than focusing solely on individual success.

Hannah made a fantastic contribution to the **Future Stars** team, winning her singles match **6–1** and contributing to two doubles victories, **6–4** and **6–2**. These results helped the Future Stars finish at the top of the points chart. **Team Victoria finished in 5th place overall**, with NSW taking out first place.

The carnival also provided some wonderful opportunities for the young athletes to connect with inspiring tennis legends. Although **Evonne Goolagong Cawley** was unable to attend this year's event, her brother **Ian Goolagong** was there to share stories and words of inspiration with the young tennis players.

A very special highlight was the appearance of **Ash Barty**, who brought plenty of smiles, unforgettable memories and words of wisdom to the rising tennis stars.

We are incredibly proud of Hannah and her dedication, sportsmanship and commitment to representing Victoria. We wish her all the very best as she continues her tennis journey!

Dream. Believe. Learn. Achieve. 

"If you have a dream, you've got to work hard to make it happen."

— Evonne Goolagong Cawley
