Safe schools for all 2022

Congratulations to every student, for displaying resilience and a continued “can do” and “have a go” attitude to this year’s first term of learning. I love hearing cheery hellos and seeing great learning across the school.

A highlight for me so far this year is having the pleasure of teaching in many classes, seeing great friendships blossom in the yard and enjoying many chats with students and families. The spirit of school community is thriving, seen from large audiences at assemblies, parent/guardians completing the volunteer induction session and attending meetings such as the parent club and school council.

Well done to our leaders for 2026, with the JSC leaders attaining their badges at the last assembly. The pride and smiles were priceless. It was great to see so many parents/guardians attending the Meet the Teacher meetings over the last 2 weeks. Your on-going support and collaboration is appreciated; such a partnership allows each child to thrive in their learning.

The Gr 3-6 Senior swim carnival event last Friday 20th February was a great success. Thank you to the parent helpers, Lancefield swimming pool and all the students and teachers for a fun and inclusive day. The famous challenge between the Grade 6 students and teachers included a paddle board race which saw some swift moves by all. We are thinking of the group of students representing the swimming district sports today, we are proud of your efforts.

The prep students had their Teddy bears picnic today- how wonderful to see all the Preps enjoy activities across the day with their fantastic teachers and ES support staff.

I can’t believe we are now halfway through the term. Before we know it, Easter will be here!

Please see the Upcoming dates section in the newsletter for main events happening in the school.

2026 Voluntary Contributions

Romsey Primary School is already looking forward to another great year of teaching and learning and would like to advise you of Romsey Primary School's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best well rounded education possible for our students. We hope that you will continue to support our school by making a contribution.

2026 Voluntary Contributions will remain the same as this year, at \$250.00 across all year levels.

Within our school your support will allow us to: ensure the upkeep of our large and substantive grounds, continue to provide a safe outdoor learning environment for all students, provide a Stephanie Alexander Kitchen Garden Program, Apps and computer programs, undertake incursions and excursions, maintain first aid supplies, support the School Wide Positive Behaviour model, Kimochis wellbeing program and library facilities.

We appreciate the ongoing financial support from our School Community as it allows us to continue to allocate funds to these important improvements, which are all aimed at delivering the best possible learning environment for our students.

Payments can be made from Monday 23rd February via Compass, EFTPOS or cash at the office.

We thank you for your continued support.

Important INFORMATION

CSEF—Camps, Sports and Excursion Fund

The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's financial circumstances and their outcomes.

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum. CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school excursions, camps and sporting activities.

If you hold a valid means-tested concession card or support an out of home care student you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid directly to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is \$400 for all eligible school students.

If you meet the eligibility criteria, please complete the attached application form and return it to the office with a current copy of your HCC (Health Care Card) as your earliest convenience.

For more information please read the following link:- <https://www.vic.gov.au/camps-sports-and-excursions-fund>

Please contact the office on 5429 5099 if you require assistance.

SECOND HAND UNIFORM PROCESS

The below process will now be followed for those wanting to purchase second hand uniform items:-

- Order forms will be available from the office, on the Facebook page and Compass for parents to complete. Along with the most recent stock list for families to view.
- Stock lists will be updated regularly, however please be patient with our volunteers while we implement this.
- Complete the order form and return to the office or scan the order form and email it back to Romsey.ps@education.vic.gov.au
- Orders will be ready for collection from the office and filled based on stock levels.
- Filled/completed orders will then be returned to the office, where office staff will contact families to advise that their order is available to be collected. Families will also be informed of the total cost of the order at this time.
- Payment is to then be made to the school, preferably by the Qkr app, however families can also pay by cash at the office.

Payment must be made on pick up and not before order is confirmed by the school.

Just a friendly reminder, our second hand uniform sales are coordinated by parent volunteers, who have families, work and other commitments outside of school hours therefore we ask that you are patient and understanding as we roll this new process out.

We ask that if you have any queries or concerns, that you contact the office directly, rather than contacting our volunteers. Volunteers will no longer be replying to messages.

Term 1 is a SunSmart term. Please remember to bring your sun hat to school.

HEAD LICE

It has come to our attention that a number of students across the school may have head lice and we seek your cooperation in checking your child's hair.

Head lice do not transmit infectious diseases – they are transmitted by having head-to-head contact with someone who has head lice. Head lice are common in school-aged children and are the most adaptable of creatures. They have survived living solely on humans for 10,000 years!

What can you do?

We seek your cooperation in checking your child's hair and in those instances where head lice or eggs are found, treating your child's hair.

If head lice or eggs are found on your child's hair, you need to inform:

- the school and advise when the treatment has started.
- parents or carers of your child's friends so they too have the opportunity to detect and treat their children if necessary.

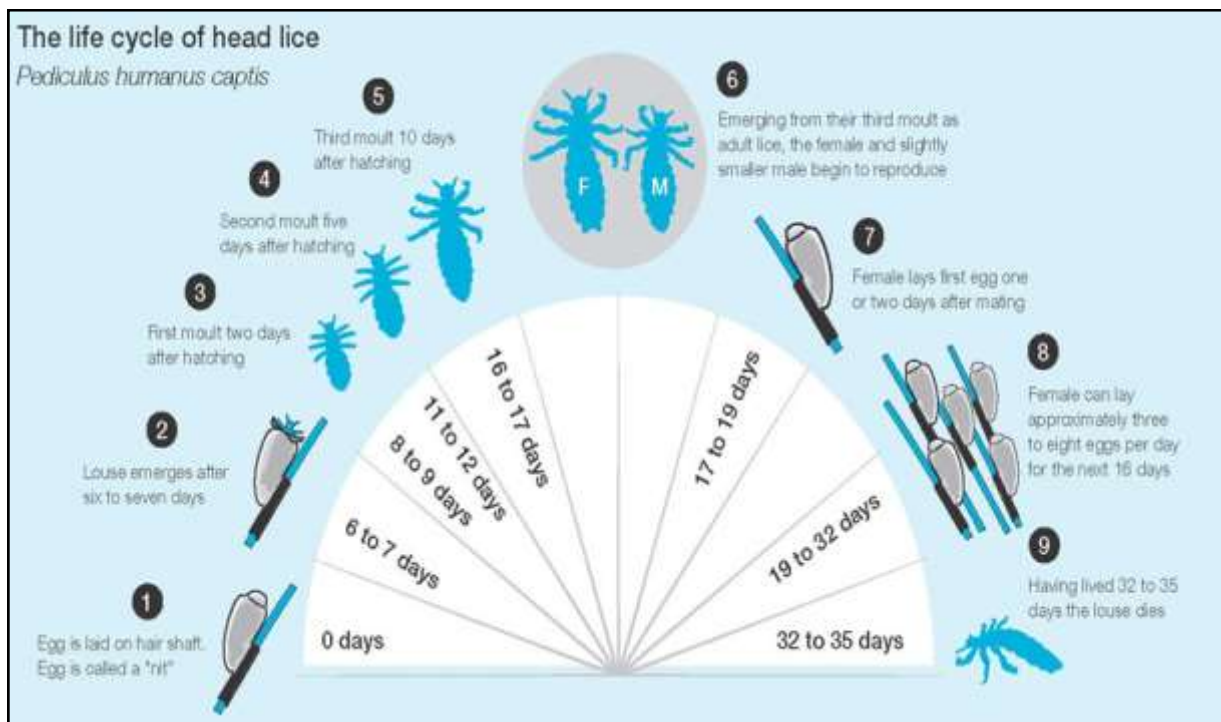

When can my child return to school?

Health regulations require that where a child has head lice, that child should not return to school until the day after appropriate treatment has started. Please note, this refers only to those children who have live head lice and does not refer to head lice eggs.

Romsey Primary is aware that head lice can be a sensitive issue and is committed to maintaining your confidentiality.

Please see the below link for further information.

SPORT REPORT

Swimming and Aquatic Carnival

On Friday 20th of February, we held our annual 3-6 Swimming and Aquatic Carnival at the Lancefield Pool. The weather was perfect and we had great behaviour and participation from everyone.

Congratulations to all students who competed in the 50m events, the standard of swimming was excellent and we are now able to send a great team to the Division event on Friday 27th of the February.

Thanks to all students who attended, you now have special memories to keep in your mind forever.

A special thank you to all staff and parents for their support on the day to help make this day run so smoothly. To Mr D for his assistance with setting up and packing up – a big thank you.

Our winning house on the day was McIntyre, congratulations to their whole team who came along and participated in a wide range of events.

The following students will represent the school at the Division swimming event: Alyssa Pritchard, Mason Pritchard, Lexi Jansen, Jackson Beasley, Dylan Peacock, Matilda Peacock, Hendrik Dutton, Charlotte Schembri and Thomas Williams.

Hot Shots Tennis

We travelled to Kyneton on Monday 16th of February for the COBAW district Hot Shots tennis day with 24 grade 5/6 students. All our students had a great day and learned a lot about how to play this version of tennis. They competed against a range of schools and big thanks to Kristy-Anne Beasley, Jodie Peacock and Mrs Holland for their guidance of teams.

PHYSICAL EDUCATION

Winter Olympics

Grade 3/4 students have been participating in sports that replicate the Winter Olympics for the past couple of Fridays in their additional PE session. Using equipment such as paper plates as ice skates or skis, stumps as ski poles and other equipment. Students have participated in the following events: Speed Skating, Biathlon, Cross Country Skiing, Torch Relay, Slalom Skiing and Curling. A lot of fun for everyone and a small taste of what it would be like to participate in winter sports.

Sports Clubs

Large numbers of students have been attending the sports clubs before school on Tuesdays and Thursdays as well as lunchtimes on Monday-Thursday. We have been doing running activities to build stamina, speed and strategy on Tuesday mornings and on Thursday mornings a range of activities like fitness circuits, yoga and pilates.

AFL SPORTS DEVELOPMENT PROGRAM

The sports development program for AFL has started well with 17 students involved in this. They have been learning about the activities that can be used for the Superkick program and in gameplay to learn about strategy and teamwork. In the coming weeks the students will be involved in a 4-week program with AFL Victoria who bring an advanced AFL program for the students who are in this program.

Welcome to Year 7 at Kyneton High School

Kyneton High School recently held a special assembly to welcome its new Year 7 students into the school community.

As part of a meaningful tradition, Year 12 leaders formed a guard of honour as the Year 7s entered the hall, symbolising support, belonging and the beginning of their high school journey.

The Raven is KHS's mascot, inspired by the many ravens around the school grounds and chosen for their intelligence, curiosity and strong social bonds. In this assembly, our Year 12 school captains each introduced a Year 7 student who has volunteered to speak about their hopes for their time at high school on behalf of their homegroup, and to inspire those raven-like qualities in students and staff.

Many of you will fondly remember **Emma from her time at Romsey PS**. Now in Year 7, she confidently took to the stage, introduced by Year 12 leader Henry, to speak on behalf of her cohort. Emma shared a quote from *Albert Einstein*: "A person who never made a mistake never tried anything new."

She spoke about embracing new experiences and learning from mistakes, and about looking forward to making friends and trying new opportunities at Kyneton High.

We are incredibly proud of the confidence Emma showed speaking in front of the entire school, and are so happy to be able to share this news with our friends at Romsey PS!

Wishing you all a great school year!
