Take action for July 2022

Hello parents, guardians and families,

What an amazing time we have all had in the last two weeks with many school events. The whole school Colour Fun on the 14th May was a great community event. The Romsey Fire Brigade helped with the event, and a big thank you again to them and all the families for supporting the students. It was great to see so many people watching the run and the family members joining in.

Staff have been focusing on assessment/reporting during the Curriculum day and ES staff completed professional learning on the day. I attended the Macedon ranges principal leaders meeting to learn about school data collection and other current department initiatives.

This week, from 27 May to 3 June, we acknowledge National Reconciliation Week. Reconciliation is about strengthening the relationships between Aboriginal and Torres Strait Islander peoples, and non-Indigenous peoples. This year's theme is **All In**. It's a call for all Australians to commit to reconciliation. It's about how we move forward together, shaping a joined future grounded in respect. Each class has been focusing on National Reconciliation Week activities.

As the weather becomes colder, with the rain settling in, we encourage students to dress for warmth by wearing warm tracksuit pants/trousers. A reminder that jumpers need to be labelled with a name in case it gets misplaced.

We thank students and families who use the school crossing and front gates to ensure they are safe. Please remind students to not walk through the car park entries and walk their scooter or bike in.

Congratulations to the students who participated in the Division cross country event as well as the Grade 5/6 students who participated in the Cobaw Winter Sports held here at Romsey.

Well done to the Grade 1/2 students who participated in the walking excursion of Romsey yesterday looking at main shops and landmarks in Romsey. What fun!

In the last two days, I have been fortunate enough to continue my learning by attending the 2026 Principal Conference held at the Exhibition Buildings, Melbourne. We are definitely the Education State here in Victoria.

I wish you a relaxing, enjoyable weekend,

Sally Davies
Assistant Principal

Wow – What A Day!

After six weeks of fundraising, plenty of exciting “Magic Milestones,” and lots of anticipation, the big day finally arrived!

Our students worked hard to achieve fundraising milestones along the way, including icy pole parties, chocolates for setting up profiles, canteen vouchers, a hot chip lunch, and, of course, the chance to **SLIME** our **Principal, Assistant Principal, and six teachers** — yes, **eight staff** members altogether! 😊

On the afternoon of Thursday 14th May, excitement filled the air as students, staff, and many parents gathered for our amazing Colour Fun Run. Participants tackled the obstacle course, raced through three Colour Stations, and cooled off at the Water Station along the way.

A huge crowd of spectators cheered on every participant, creating a fantastic atmosphere throughout the afternoon. Students also enjoyed a fun disco on the basketball courts before and after their Colour Fun Run experience.

It was truly an unforgettable afternoon for everyone at Romsey Primary School!

We would also like to give a big shout out to the Romsey Fire Brigade/CFA for kindly attending our Colour Run and supplying the water — it was definitely the perfect added extra and a highlight of the day.

Thank you to everyone who supported our Colour Fun Run and helped out on the day. We hope everyone had the **BEST DAY EVER!**

A very special thank you also goes to our Junior School Councillors (JSC) and Wellbeing Leaders for helping to set up the obstacle course and colour stations. Without your hard work and support, the afternoon would not have been possible.

Parents/Caregivers:-

The 'Prize' ordering window has now closed.

Now that the prize ordering window has closed prizes will be sent to the school (in about 2 weeks' time) and we will distribute the prizes to the students – fingers crossed prizes are received prior to the holidays. 😊

Romsey Primary School students, parents and school community – you are AWESOME!!!

**Our final fundraising dollar amount
was :-**

\$26,712.00

Thank you students, parents and our school community

CONGRATULATIONS to Rory H who was Romsey Primary School's highest fundraiser raising **\$1050.00 !!**

Rory was presented with the the

'Fundraising Champion Cape' at assembly.

Thank you once again to all students who helped fundraise for our wonderful school.

Keeping Medical Information Up to Date

Health and Medical Action Plans

The safety and wellbeing of our students is a priority at Romsey Primary School. To ensure we can provide the best possible care, we ask families to help us keep all medical information current and up to date.

Asthma

If your child has asthma, please ensure the school has a current Asthma Action Plan and that any prescribed medication, including reliever puffers and spacers, is supplied and clearly labelled. Please notify the school if there are any changes to your child's asthma management.

Allergies and Anaphylaxis

Students with allergies or anaphylaxis require accurate and up-to-date medical information to ensure appropriate care can be provided if needed.

We are currently reviewing our Allergy and Anaphylaxis Action Plans. If your child has an Allergy Action Plan or ASCIA Action Plan for Anaphylaxis on file that has passed its review date, we ask that families review the plan and advise the school of any changes.

If there have been changes to your child's condition, treatment or emergency management procedures, please provide an updated plan completed by your child's doctor. If there have been no changes, please contact the school office to confirm that the current plan remains accurate and can remain on file. If the plan is no longer required, please let us know.

Important **INFORMATION**

Supporting Learning Time At School

Dear Parents and Carers,

As a school community, we all play an important role in protecting valuable learning time for our students. Frequent interruptions to classrooms can break students' concentration and interrupt the flow of teaching and learning. By keeping non-urgent PA interruptions to a minimum throughout the day, we can help continue to create calm and focused learning environments for all students.

To support this, we ask for your help with the following when collecting your child early from school:

- If your child needs to leave early, please allow enough time for office staff to contact the classroom and for your child to make their way to the office.
- For child safety reasons, all parents and carers must collect students from the office foyer. Please do not go directly to classrooms or through the school grounds to collect students during the school day.
- If your child is leaving early for an appointment, please let the classroom teacher know via a note, through your child, or by contacting the office by phone or email. Where possible, we will try to have your child ready and waiting at the office.
- Where possible, please avoid collecting students during recess (10:40am–11:10am) and lunchtime play (1:00pm–1:50pm), as students can be difficult to locate during these times.

Thank you for your ongoing support and understanding.

Kind Regards,

Mel Stewart

How do I report an absence?

We kindly ask that if you need to report an absence please do so by pressing '1' when you call the main number wherever possible.

This option is a dedicated phone line for absences and prevents phone congestion each morning.

The quickest and easiest way to notify the school of your child's absence is via the Compass app. You can also enter absences in advance using Compass.

If your child is absent and an explanation is not provided, parents will be sent an SMS asking them to contact the school. We kindly ask that you contact the office so we can record your child's absence as per the Department Of Education's regulations. Again, you can leave a message on the absence voicemail by pressing '1'.

We sincerely thank all families who continue to advise the school of their child's absence.

Important INFORMATION

Canteen

Our canteen staff rely on the correct information from the Qkr! app to be able to deliver your child's lunch order to the correct classroom. Please check the app to make sure your child's correct class is entered. This doesn't automatically update each year, you need to edit it. Please find instructions below to assist you to update your child's profile.

Missed Calls From The Office

Can we kindly ask that if you receive a missed call from the school that you please check your messages before calling the office.

Often times teachers will make phone calls to parents and not always inform office staff, therefore it is difficult to best direct your call.

We also phone families as well as messaging whenever a student is sent to the sick bay with a head bump. These calls will usually be just a courtesy call and may not require a call back, therefore it is important to check your messages first.

Car Parking

Please ensure when dropping off and picking up your children that you use the car parks located at the front of the school.

Parent car parking is not available on school grounds.

HEAD LICE

It has come to our attention that a number students across the school may have head lice and we seek your cooperation in checking your child's hair.

Head lice do not transmit infectious diseases – they are transmitted by having head to head contact with someone who has head lice. Head lice are common in school-aged children and are the most adaptable of creatures. They have survived living solely on humans for 10,000 years!

What can you do?

We seek your cooperation in checking your child's hair and in those instances where head lice or eggs are found, treating your child's hair.

If head lice or eggs are found on your child's hair you need to inform:

- the school and advise when the treatment has started.
- parents or carers of your child's friends so they too have the opportunity to detect and treat their children if necessary.

When can my child return to school?

Health regulations requires that where a child has head lice, that child should not return to school until the day after appropriate treatment has started. Please note, this refers only to those children who have live head lice and does not refer to head lice eggs.

SPORT REPORT

SOCCER

On Tuesday 19th of May, we travelled to Gisborne for the COBAW soccer day. Our girls team were very competitive throughout the day and had some success scoring and improving their teamplay. Thanks to former students Leo D and Rosie G for their time to coach the team with support from Miss Spiteri.

The boys' team had a lot of close games and also scored some goals during separate matches to be a chance to win every game that they played. Small things can change the results in the game of soccer and unfortunately in a couple of games we allowed a late goal. Overall, a solid effort by the team.

DIVISION CROSS COUNTRY

On Friday the 22nd of May, we travelled as a team to Castlemaine for the Division Cross Country held in great conditions. Miles G ran 4th in the 12/13 boys' event, Levi K 2nd in the 11 boys and Hendrik D was 15th in the 9/10 boys. Miles and Levi will now compete in the Region Cross Country on June 2nd in St Arnaud. Thanks to Jo Van Drunick for coming along with the team and to all parents/families who supported the boys.

5/6 SPORT

Our 5/6 winter sports teams competed on Tuesday May 26th in Romsey and participated in AFL, Fully Loaded Softball and Netball. Our AFL team finished 3rd and played very well throughout the whole competition. Thanks to Shaun Gray for coaching and giving up time in the lead up to train the team with the support of Mr Maslen. The softball team had a great day learning and developing their skills in this version of the game, thanks to Kim A and Mrs M for taking the team along on the day. In the mixed netball competition, we had some boys involved for the first time in a number of years and the team combined really well together. The whole team competed in every match and impressed the coaches with their skills. Thanks to Sophie F and Mrs Holland for their work with the team. The girls netball team had some very good wins and a couple of close losses including the semi-final. We talked about small things going forward that will help build the capacity to improve such as goal shooting, decision making and passing technique.

Calling Aboriginal and Torres Strait Islander Artists

Romsey Library invites Aboriginal and Torres Strait Islander artists to share their creativity and culture through an upcoming NAIDOC Week exhibition. We welcome expressions of interest from artists who would like to display their work in the library and join our community to celebrate the stories, strength, and creativity of First Nations peoples. All art forms are welcome, and we encourage both emerging and established artists to take part.

Artworks dropped off by Friday 25 June to the Romsey Library, 98 Main Street, Romsey, for display Wednesday 1 – Friday 31 July.

INVENTI ENSEMBLE
1001 NIGHTS!
 FAMILY FRIENDLY EVENT
 10.00am Sunday 7th June 2026
 St Ambrose Hall, Woodend

Step into a world of magic, adventure and mystery as Scheherazade begins her incredible tales from the 1001 Nights. Inveni Ensemble brings these famous stories to life with dazzling music by Nikolai Rimsky-Korsakov, arranged especially for their six instruments. From brave heroes and clever princesses to sea voyages and secret treasures, each piece of music opens the door to a new story. In true Inveni style, the musicians mix exciting storytelling with brilliant live music, showing how their instruments can paint pictures and create characters. Alongside the famous music, you'll also hear three brand new pieces by Australian composers, written especially for the show. Full of colour, imagination and adventure, this concert invites children and families to discover the magical world of 1001 Nights.
