 **Child Safety Standards**  
Take action for July 2022

As the cold weather has truly set in over the past two weeks, it has continued to be a busy and productive time filled with learning and extra-curricular activities. Our prep students have been exploring the world of fairy tales during their Inquiry unit this term and they celebrated last week with a delightful dress-up day and parade. A big thank you to all the families who stayed to watch and share in this special occasion.

Thank you to all our students for another wonderful term, and to our families for your continued support and partnership. We wish you all a safe and relaxing holiday break.

### **Three-Way Conferences – Student-Free Day**

On Wednesday we held our 3 way conferences where student were able to reflect, share and celebrate their learning with their families. Thank you to our parents and carers who attended on this day, we appreciate your continued partnership with our school in supporting your child's learning.

### **2027 Prep Enrolments**

It has been a pleasure meeting prospective families through our tours and information sessions this term and sharing what makes Romsey Primary so special.

If you or someone you know is considering enrolling for **2027**, please collect an enrolment pack from the front office.

▣ **Next Information Session:** Monday 20<sup>th</sup> July 9:30 – classroom information session and tour

▣ **Individual Tours:** Available by appointment via the office

We encourage families to submit enrolment paperwork by the end of Term 3 so that important transition details for Term 4 can be shared.

We have many events and extracurricular activities happening during Term 3. An important dates document was sent out this week via Compass and attached to the newsletter. Times of some of the events are yet to be confirmed, details and information will be communicated closer to the event date.

A reminder that our first day back of term 3 is a Curriculum Day. Students to return the following day Tuesday 14<sup>th</sup> July.

Thank you to all our students for another wonderful term, and to our families for your continued support and partnership. We wish you all a safe and relaxing holiday break.

**Mel Stewart  
Principal**

## RPS Year 6 Students vs Staff Netball Match

What a fantastic day for the much-anticipated Romsey Primary School Year 6 Students vs Staff netball match! With great playing conditions and plenty of excited spectators, both teams stepped onto the court ready for some fun and friendly competition.

The staff brought their experience to the game, using their height advantage in defence and some speedy movement through the centre court to take control early. The Year 6 students showed amazing determination, teamwork and persistence, giving it their all and challenging the staff every chance they could.

A highlight of the match was seeing Mrs Davies step back into her goal shooter days, sinking a fantastic goal that had the crowd cheering wildly!

The staff walked away with bragging rights after an 8–1 victory, but the real win was the school spirit, laughter and sportsmanship shown by everyone involved.

Congratulations to our Year 6 students and staff on a wonderful Romsey Primary School tradition!

# Important INFORMATION

## Car Parking

Please ensure when dropping off and picking up your children that you use the car parks located at the front of the school.

## HEAD LICE

It has come to our attention that a number of students across the school may have head lice and we seek your cooperation in checking your child's hair.

Head lice do not transmit infectious diseases – they are transmitted by having head-to-head contact with someone who has head lice. Head lice are common in school-aged children and are the most adaptable of creatures. They have survived living solely on humans for 10,000 years!

### What can you do?

We seek your cooperation in checking your child's hair and in those instances where head lice or eggs are found, treating your child's hair.

If head lice or eggs are found on your child's hair, you need to inform:

- the school and advise when the treatment has started.
- parents or carers of your child's friends so they too have the opportunity to detect and treat their children if necessary.

### When can my child return to school?

Health regulations require that where a child has head lice, that child should not return to school until the day after appropriate treatment has started. Please note, this refers only to those children who have live head lice and does not refer to head lice eggs.

# *Important* **INFORMATION**

## **Supporting Learning Time At School**

Dear Parents and Carers,

As a school community, we all play an important role in protecting valuable learning time for our students. Frequent interruptions to classrooms can break students' concentration and interrupt the flow of teaching and learning. By keeping non-urgent PA interruptions to a minimum throughout the day, we can help continue to create calm and focused learning environments for all students.

To support this, we ask for your help with the following when collecting your child early from school:

- If your child needs to leave early, please allow enough time for office staff to contact the classroom and for your child to make their way to the office.
- For child safety reasons, all parents and carers must collect students from the office foyer. Please do not go directly to classrooms or through the school grounds to collect students during the school day.
- If your child is leaving early for an appointment, please let the classroom teacher know via a note, through your child, or by contacting the office by phone or email. Where possible, we will try to have your child ready and waiting at the office.
- Where possible, please avoid collecting students during recess (10:40am–11:10am) and lunchtime play (1:00pm–1:50pm), as students can be difficult to locate during these times.

Thank you for your ongoing support and understanding.

Kind Regards,

Mel Stewart

## **How do I report an absence?**

We kindly ask that if you need to report an absence please do so by pressing '1' when you call the main number wherever possible.

This option is a dedicated phone line for absences and prevents phone congestion each morning.

The quickest and easiest way to notify the school of your child's absence is via the Compass app. You can also enter absences in advance using Compass.

If your child is absent and an explanation is not provided, parents will be sent an SMS asking them to contact the school. We kindly ask that you contact the office so we can record your child's absence as per the Department Of Education's regulations. Again, you can leave a message on the absence voicemail by pressing '1'.

We sincerely thank all families who continue to advise the school of their child's absence.

# Keeping Medical Information Up to Date

## Health and Medical Action Plans

The safety and wellbeing of our students is a priority at Romsey Primary School. To ensure we can provide the best possible care, we ask families to help us keep all medical information current and up to date.

## Asthma

If your child has asthma, please ensure the school has a current Asthma Action Plan and that any prescribed medication, including reliever puffers and spacers, is supplied and clearly labelled. Please notify the school if there are any changes to your child's asthma management.

## Allergies and Anaphylaxis

Students with allergies or anaphylaxis require accurate and up-to-date medical information to ensure appropriate care can be provided if needed.

We are currently reviewing our Allergy and Anaphylaxis Action Plans. If your child has an Allergy Action Plan or ASCIA Action Plan for Anaphylaxis on file that has passed its review date, we ask that families review the plan and advise the school of any changes.

If there have been changes to your child's condition, treatment or emergency management procedures, please provide an updated plan completed by your child's doctor. If there have been no changes, please contact the school office to confirm that the current plan remains accurate and can remain on file. If the plan is no longer required, please let us know.

# Calling Aboriginal and Torres Strait Islander Artists

Romsey Library invites Aboriginal and Torres Strait Islander artists to share their creativity and culture through an upcoming NAIDOC Week exhibition. We welcome expressions of interest from artists who would like to display their work in the library and join our community to celebrate the stories, strength, and creativity of First Nations peoples. All art forms are welcome, and we encourage both emerging and established artists to take part.

Artworks dropped off by Friday 25 June to the Romsey Library, 98 Main Street, Romsey, for display Wednesday 1 – Friday 31 July.
