Congratulations to all of our recent Toot Toot award recipients !

Our School Values Are: *Respect Integrity Responsibility*

I respectfully acknowledge the Traditional Owners of Country throughout Victoria and pay respect to the ongoing living cultures of First Peoples.

Welcome Back!

We're delighted to see our students return after the holiday break, happy, refreshed, and ready for a great term ahead! With the sunshine starting to make more frequent appearances, the school grounds have been filled with smiles and laughter.

This week, students were especially excited to discover the brand-new line markings around the school grounds. On behalf of all our students, we extend a heartfelt thank you to our amazing Parents' Club for their fundraising efforts, which made these upgrades possible. Your ongoing support continues to make a real difference in our school community.

🎃 Halloween Disco

Attached to this week's newsletter is a flyer with all the details for our upcoming Whole School Halloween Discos — with the junior disco held first, followed by the senior disco. A big thank you once again to our wonderful Parents' Club for organising this exciting event for our students.

Our Parents' Club generously volunteers their time throughout the year to raise funds and coordinate activities that enrich the school experience for every child. We truly appreciate their dedication.

Out of School Hours Care

Last week, the School Council held an extraordinary meeting and voted to begin the procurement process for a third-party provider to deliver an Out of School Hours Care (OSHC) program.

Thank you to all families who completed the recent survey — your feedback was invaluable in helping us understand the needs of our school community.

We anticipate this process will take approximately three months, and we'll continue to keep families updated as it progresses.

Planning for 2026

During next term, staff will begin developing class structures for 2026. Teachers will carefully create class lists that consider factors such as gender balance, learning styles, previous classes, behaviour, and friendship groups. Our goal is to form well-balanced classes that support positive relationships and maximise learning opportunities for every student. Students will also have the chance to nominate five classmates they feel they work well with, and we'll do our best to ensure each student is placed with at least one of their preferred peers.

If you would like to make a request regarding your child's educational needs for 2026, please submit this in writing, addressed to Mrs Stewart, and hand it to the office by Friday, 24th October.

Please note that requests cannot include specific teacher preferences under any circumstances. Please also note that requests from previous years will not be carried over to 2026. Requests must be submitted each year.

If your family's circumstances are changing and your child may not be attending Romsey Primary School in 2026, please inform the office as soon as possible. This information is vital to assist with planning and class organisation.

For further details, our **Placement Policy** can be found on the school website.

SPORT REPORT

Girls Football match

In the second last week of Term 3, we invited Gisborne Primary School to Romsey for an exhibition football match. This was a great opportunity for the Romsey girls to get to play a game of footy as no other schools from our district nominated. The game was played in good spirits, the Gisborne girls had 5-6 very good players who regularly play footy and it was a great challenge for the Romsey girls. In the end, Gisborne were too strong, but our girls did their best to be competitive. We are hoping this can become an annual event early September each year. Thanks to Mrs Killender for her work coaching the team and the grade 6 boys who filled the roles of goal and boundary umpires.

Division Athletics

On the last Monday of Term 3, we had 8 students travel to Bendigo for the division athletics carnival. Cooper competed in Shot Put, Chase in the Triple Jump, Darcy in two long distance running events, Levi in the 800, Dakota in Long Jump and she was a part of the relay team with Sophie, Ava and Bella. As a result of the day, Levi has qualified for the Region Finals on Monday 13th of October as has Dakota in her individual event and the relay team. Thank you for the parent support on the day.

Jarrod Milsom
Sport Coordinator

West Regionals

Hello, my name is Millie and on Saturday the 20th of September me and my squad team went to West Regionals. It was a 3-and-a-half-hour drive, we left at 7.00am and got there at 12.00pm ready and headed in. The competition began at 7.00 and my team started on beam. The whole competition went really smooth; I didn't fall once. My team was the best cheerers; we even had the judge stop us from cheering too much. When it was time for awards my team (Jets Gisborne) split into two, Team 1: Jets Black and Team 2: Jets Red, I was Jets Black. We placed 3rd in vault, 2nd in bars, 4th in beam and 3rd in floor. The best part being placed we placed second in the overall which means we will be representing Victoria in the State Championships this Sunday at the State Netball & Hockey Centre, where we will verse the rest of Australia.

RPS ART SHOW !

We are so excited to celebrate our student's creativity & the amazing art they have made this year at our upcoming Art Show!

ART NEWS!

*Update from
the Art room*

Year 5/6
Excursion the
the National
Gallery of
Victoria

Students from
Yr 5/6
recently went to
the NGV to see the
French
Impressionism
exhibition.

On Monday 8th September the Yr 5/6 students went to the National Gallery of Victoria and learnt about famous artists from all over the globe. We went into the theatre that gave us a presentation on Claude Monet and Impressionism and in the exhibition we saw lots of Impressionism art.

We also saw the original Dancing Pumpkin by Yayoi Kusama.

For lunch we got given a sandwich, juice box, cookie and an apple.

We had a great time.

by Harper P

On Monday 8th September we went to the National Gallery of Victoria. We learnt about Monet.

We explored the mansion because that is how they displayed the art back then.

It was a super fun day.

-Ruby C

For the 5/6 Art excursion, students of Romsey Primary School went to the French Impressionism exhibition. We learnt about various French Impressionists including Claude Monet, Edouard Manet and many others.

There were many different rooms all with different genres of paintings. Everyone got a booklet so we could inspect the art and fill it with information.

-Ryder

On Monday the 8th of September we went to the National Gallery of Victoria and learnt about Monet's different skills in painting.

Then we went to the the gallery, it was like an 1800s mansion, which is where they displayed the art in the 1800s.

We went into 7 delicate rooms where we had a booklet to fill out about the different paintings in each room.

-Ava D

We are very grateful to have accessed the NGV School Support Program supported by Krystyna Campbell-Pretty AM and Family, allowing our excursion to be free of charge.

This fantastic program allowed our students to enjoy a lecture from a gallery educator and explore the amazing Impressionist works as part of the exhibition, as well as subsidising our transport.

Important INFORMATION

HEAD LICE

It has come to our attention that a number of students across the school may have head lice and we seek your cooperation in checking your child's hair.

Head lice do not transmit infectious diseases – they are transmitted by having head-to-head contact with someone who has head lice. Head lice are common in school-aged children and are the most adaptable of creatures. They have survived living solely on humans for 10,000 years!

What can you do?

We seek your cooperation in checking your child's hair and in those instances where head lice or eggs are found, treating your child's hair.

If head lice or eggs are found on your child's hair, you need to inform:

- the school and advise when the treatment has started.
- parents or carers of your child's friends so they too have the opportunity to detect and treat their children if necessary.

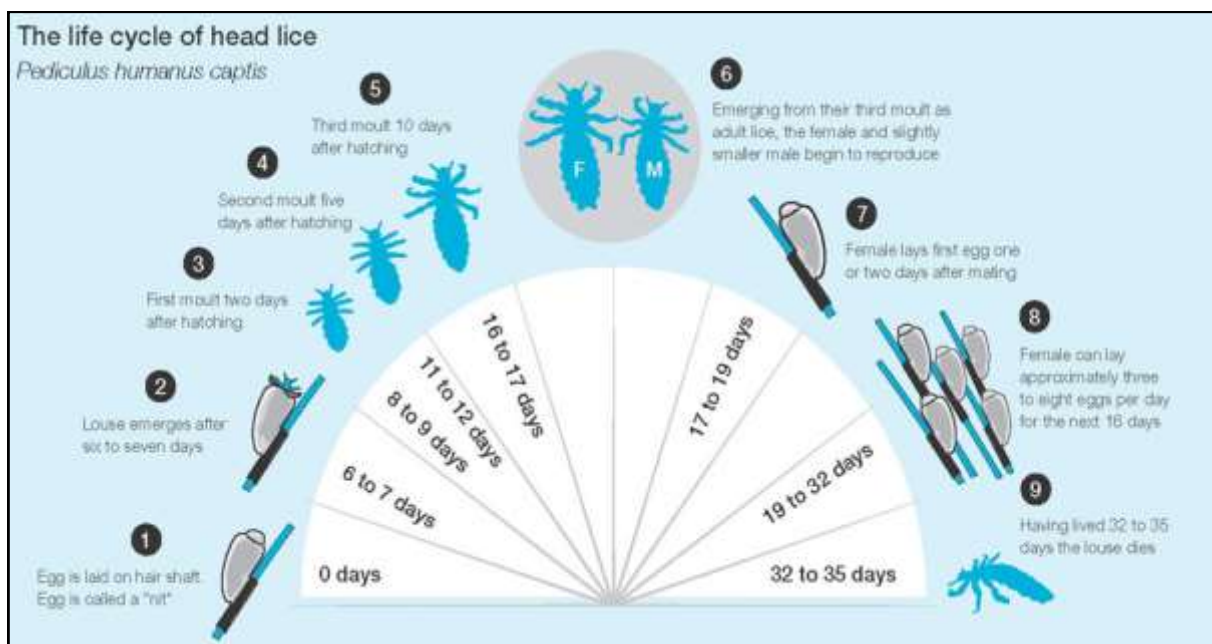

When can my child return to school?

Health regulations require that where a child has head lice, that child should not return to school until the day after appropriate treatment has started. Please note, this refers only to those children who have live head lice and does not refer to head lice eggs.

Romsey Primary is aware that head lice can be a sensitive issue and is committed to maintaining your confidentiality.

Please see the below link for further information.

Library News

Issue 7 Book Club magazine and order forms have been given out to students, please note that **orders close on Monday 27th October**. There is also a gift function on for this issue, if anyone is wanting to buy any gifts to put away for Christmas your order will be kept at the office for discreet collection, instead of being sent home with your child. With this issue you can get up to 3 free books and a \$5 promo code to spend on the next issue, on LOOP (online) orders only.

Canteen

Please remember orders for the canteen automatically cut off on Qkr at 9:00am sharp each day so please ensure you place your orders early to avoid disappointment.

If you have placed a lunch order via the QKR app and then your child is absent on that day, please contact the office **before 10:00am** to notify us so we can provide your child's lunch order when they return to school. After this time food is thawed and preparation begins therefore a credit or refund will not be given.

Important INFORMATION

Missed Calls From The Office

Can we kindly ask that if you receive a missed call from the school that you please check your messages before calling the office.

Often times teachers will make phone calls to parents and not always inform office staff, therefore it is difficult to best direct your call.

We also phone families as well as messaging whenever a student is sent to the sick bay with a head bump. These calls will usually be just a courtesy call and may not require a call back, therefore it is important to check your messages first.

Labelling Personal Items & Lost Property

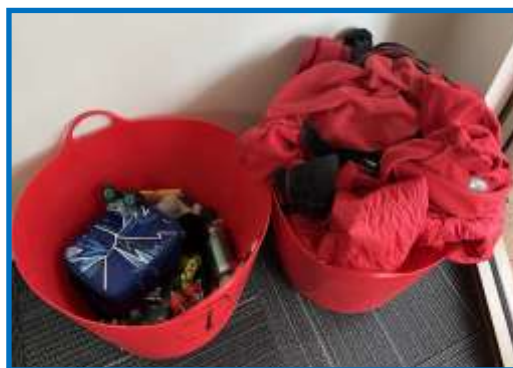

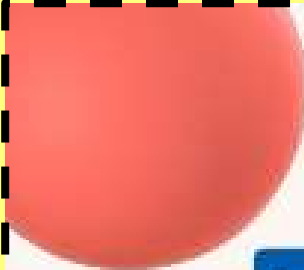

Can we please remind families to label all items of clothing, hats, lunchboxes, containers and drink bottles so we can return them to students.

The lost property pile is quickly growing once again and we have accumulated quite a lot of **unnamed lost property**. Whilst we do attempt to return labelled clothing and items, the volume of items can often make this task very difficult.

Tubs will be emptied over the coming days therefore we encourage you to come and have a look before all items are disposed of or donated.

Lost property tubs are located in the **office, gym foyer and all classroom atrium areas**. If your child's lost property isn't in their classroom atrium tub it could be in any of the other tubs.

FIRE SEASON IS COMING ARE YOU READY?

Living in the Macedon Ranges means living with fire risk. With large forests, open farmland, and dry conditions, our region is highly vulnerable to fire — especially with the current rainfall deficit.

What you can do today:

- ✓ Slash long grass
- ✓ Rake up leaves, bark, and debris
- ✓ Remove woody weeds like gorse & blackberry
- ✓ Clear gutters, rubbish around homes, sheds and fences
- ✓ Keep your property maintained all summer
- ✓ Create or review your Fire Plan
- ✓ Have a plan for the first 72 hours

Preparation reduces risk — but it doesn't remove it. On hot, windy days, fire can still occur. That's why it's critical to have a Fire Plan and be ready to act early.
