Congratulations to all of our recent Toot Toot award winners!

Our School Values Are: *Respect Integrity Responsibility*

I respectfully acknowledge the Traditional Owners of Country throughout Victoria and pay respect to the ongoing living cultures of First Peoples.

RPS Acknowledgement of Country

Over the last two terms Mrs Milne has been working with a small group of our Senior Koorie students on developing a new Acknowledgment of Country for RPS. They worked together researching the Wurundjeri people and the land we are on. As of next week's we will be starting each assembly with this new Acknowledgement of Country presented by our Koorie students. You will find a copy attached to this weeks newsletter.

Congratulations to Tahlia, Kaden, Tarkyn and Charlotte on their outstanding work.

ART SHOW

Congratulations to Mrs McGuffie and our students on our amazing Art Show. It was an wonderful opportunity for our students to see their artwork presented for an audience. Thank you to the parents who came and assisted with the set up and to those families and community who came to the event.

PREP ZOO

Last Wednesday I was fortunate enough to join our Prep students on a trip to the Werribee Zoo. We had a wonderful day filled with lots of fun activities including a Safari Bus trip where we got to see many animals. Thank you to our parent helpers who volunteered their time to come and to Mrs Mitchell and Mrs Beatty for organising such a great day.

ASSEMBLY

Next week's assembly on Monday 13th November will be starting at 2:45 as we have some special presentations and a performance from our singing group.

Before and After school supervision

Student safety at Romsey Primary School is our highest priority and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school. As the weather is warming up we are seeing more students arrive at school before designated supervision time.

- **Before school:** School grounds are supervised at 8.45 am with a staff member on front of school courtyard duty and another staff member on Station Rd crossing duty.
- **After school:** School grounds are supervised from 3.30-3.45 with a staff member on bus/ front of school courtyard duty and another staff member on Station Rd crossing duty.

Students on school grounds outside these times will **not** be supervised (unless they are attending a before or after school care program or supervised extracurricular activity).

Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending before or after school care, or a pre-arranged supervised activity (i.e. sports practice).

Could you please also reinforce with your child/ren that once they have arrived on school grounds in the morning they are not to go back across to the skate park. Once they have arrived at school they are under our duty of care and must stay on school grounds.

Families are encouraged to contact KidZone on 0481212047 or office@kidzoneromsey.com.au for more information about the before and after school care facilities available to our school community.

Thank You,
Mel Stewart

RPS ACKNOWLEDGEMENT OF COUNTRY

Here is the land (point to the ground)

Here is the sky (point upwards)

Here are my friends (point around you)

And here am I (point to yourself)

Wominjeka, Welcome

(Woi wurrung language)

We would like to begin by acknowledging the
traditional owners of the land on which we meet
today.

We respect the Wurundjeri people, their land and
animals, watched over by Bunjil the eagle and Waa
the crow. We remember that it is a privilege to be
standing on Biik.

Land on which we gather has been here and cared
for by generations past, present and future.

Noon Gudgin, Thank you
(Woi wurrung language)

Canteen

Please remember orders for the canteen automatically cut off on Qkr at 9:00am sharp each day so please ensure you place your orders early to avoid disappointment.

If you have placed a lunch order via the QKR app and then your child is absent on that day, please contact the office **before 10:00am** to notify us so we can provide your child's lunch order when they return to school . **After this time food is thawed and preparation begins therefore a credit or refund will not be given.**

Unwell Students

Please remember that if your child is displaying any virus or gastro like symptoms and/or is saying they are feeling unwell please keep your child home until they are symptom free.

If your child is sent to the sick bay feeling unwell or showing virus like symptoms, parents will be called to collect their children as soon as possible.

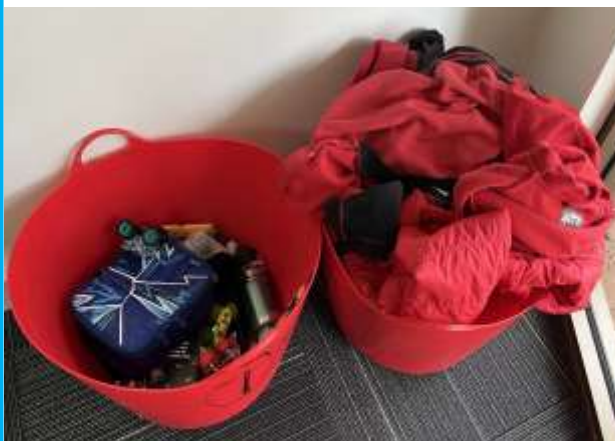

If any students develop symptoms at home we ask that parents keep their children home until they are symptom free.

Lost Property

Once again we find our lost property tubs filled to the brim with jackets, coats, hats, drink bottles and much loved toys!

Whilst we do attempt to return labelled clothing and items, the volume of items can often make this task very difficult.

If you are missing any items please come and have a look in the office tubs. This is just one of many lost property piles throughout the school therefore we strongly urge all parents to label their child's belongings.

As we near the end of the year we will be starting to dispose of any items that have been in the tubs for an extended period of time so we strongly encourage families to check the tubs for any missing belongings as soon as possible.

Book Club

The last Book Club magazine for this year has been sent home this week. The closing date for orders for this edition of Book Club is Tuesday November 21st. **Late orders will not be processed.**

We encourage parents to use the online ordering link LOOP on the Scholastic website for all Book Club orders.

Scholastic Book Fair

Our end of year Book Fair will be held from Wednesday November 15th to Monday November 20th in the multipurpose area.

Opening times are:

- before school from 8.30am til 8.55am
- lunch times from 1.25 to 145pm
- after school from 3.30 to 4.00pm.

Please come along and have a browse and maybe make a purchase or 2.

Looking forward to seeing you!

Library Loans

As we wind down towards the end of the year we need to make sure that all library books are returned. There will be no borrowing after Wednesday November 29th.

All books need to be returned by Wednesday December 6th, in preparation for our annual stocktake.

Overdue notices will be sent home with students who have overdue books from now.

HAYFEVER

As hayfever season is now upon us can we kindly ask that if your child suffers from hayfever and you have not provided the office with medication for your child that you please administer a dose of their regular antihistamine before leaving for school each morning.

Alternatively parents/guardians can complete the 'Permission To Administer Medication' form on the next page and return it to the office along with a clearly labelled box/bottle of your child's regular medication so that the office can administer this medication when symptoms flare.

Please note that if your child suffers from hayfever/rashes regularly, it is advisable that medication be given before coming to school during the hayfever season to ensure your child is comfortable during the day.

Please note that parents will be notified by email when your child has been given their medication.

Office staff are unable to administer any medication to your child without completing the above mentioned form.

We ask that you do not send your child to school with medication in their bag. Medication must be given to office staff by a parent or guardian.

RPS Late Arrivals & Early Departures Procedure

Please remember that if your child is late to school they must present to the office before heading to class to obtain a late pass. This eliminates absence notifications being sent to parents causing unnecessary worry.

If you need to collect your child early from school, please present to the front office to obtain an 'Early Departure' slip from the school Kiosk iPad before heading to your child's classroom. Office staff will happily assist with this if needed.

In an emergency you may phone the school to arrange for your child to be brought to the office for collection otherwise all parents/guardians are required to collect their child from their classroom to minimise announcements and interruptions to other classes.

If you need to pick up your child for an appointment, we kindly ask that you arrive 5-10 minutes earlier to allow time to collect your child from their classroom.

For safety reasons, can we please remind families that only people listed as emergency contacts are able to collect your child. If you would like someone to collect your child on your behalf and they are not listed as an emergency contact, you must notify the school accordingly either by phone or email.

If you are not sure who you have listed as emergency contacts for your child, please enquire at the office. A maximum of 4 people can be listed for each family.

If you know in advance that you will not be able to arrive on time it is important for alternate arrangements to be made or to contact the Out of School Hours Program to see if there are any available spaces. This will ensure that your child is suitably supervised. (The Kidzone Out of School Hours Program number is 0481 212 047)

Just a reminder that assembly is held every Monday afternoon at 3pm, therefore if you need to pick up your child early on a Monday, we strongly recommend you arrive before 3pm.

We thank everyone for their cooperation and understanding

STATE ATHLETICS

On Wednesday November 1st, Zac P competed in the 12/13 boys 800m race at the State Athletics Centre in Albert Park. Zac started the race in a great fashion and was able to hold his pace throughout the race to finish 6th. A phenomenal performance to be ranked that high across the state and Zac should be very proud of his performance and training. Zac had great support from his family and was absolutely spent at the end of the race and couldn't have given any more effort.

PHYSICAL EDUCATION

Just a reminder that students need to make sure they have the correct footwear on their feet for Physical Education classes. It is important to be in uniform and be able to perform well in the activities. Their class is the same day each week.

SPORTS EQUIPMENT

Students are provided with numerous sports equipment items to use during recess and lunchtime however a culture of leaving equipment on the ground after use rather than returning it to the trolleys has evolved this year. It means that house captains and myself are cleaning up the yard constantly therefore I ask that you please talk to your son and/or daughter about the responsibility (a school value) of returning equipment. We are losing a lot of equipment left around the school as it gets taken after school and on weekends. The next step will be to have a borrowing system where students will need to leave their name and return it prior to the bell. If not returned students will then receive a behaviour reminder in line with the school's behaviour policy and a third reminder would lead to a pink slip (lunchtime detention) and not being able to use equipment for a period of time (something that I don't want to have to start) as it is a burden for house captains and staff. I really want to build a more positive culture around sports equipment or we won't have any left.

ART SHOW

2023

HOW
AMAZING!

What an brilliant success our first on site Art Show since 2018 was!

RPS had our biennial Art Show last night, Wednesday 1st Nov and it was truly a fantastic celebration and display of the talent of our students! We are so proud of every one of our students and the fantastic art works they have produced throughout the year!

Student work will be on display in the Multi Purpose Space until Friday 10th November. Families are invited to drop in between 8:45 - 9am and between 3:30 - 3:45pm to check out the amazing display if they haven't already.

Mrs McGuffie would like to extend a massive thank you to our staff, our incredible students, our RPS community for their support in attending the event and to the dedicated team of mums who donated their time to help display the hundreds of pieces of work our students made. A **HUGE** thank-you to Kylie, Bim, Skye, Niki, Bev, Jasmine & Jamie - we truly couldn't have done it without you!

BYOD (Bring your own device) Portal and Information Night

BYOD (Bring your own device) Portal and Information Night

Dear Parents and Carers,

At Romsey Primary School our priority is to educate our students in relation to the expectations of the digital world they currently live in. We recognise that digital technologies are increasingly transforming the way we work, live, learn and play, offering new opportunities especially when tailoring educational choices. Social media, online games, multimedia, cloud computing and mobile learning have become a part of everyday life and it is important that we provide opportunities for our students to explore their understanding in this area to ensure they are safe, smart and responsible when online.

In 2024 Romsey Primary School is continuing to offer a Bring Your Own Device (BYOD) program for students in years 3-6. We have considered the merits of robustness, longevity and reliability, while also ensuring they include a 3 year warranty. We are pleased to announce that our BYOD portal is now open and laptops are now able to be purchased for your child for the 2024 school year. Students in Years 4-6 who have purchased a device in previous years will continue to use these. If your child does not participate in the BYOD program, they will have access to a shared school owned device when required while at school.

When you purchase a device, all necessary software will be installed by the school-based technician and school Wi-Fi and restrictions applied. When your child leaves Romsey PS these will be removed and they will be able to use the device in their secondary education or as you see fit. Please be aware that school based restrictions are only in place while at school, while at home you will need to ensure your own security settings are in place.

Please understand that in a BYOD environment it is difficult to provide support for a large number of different devices, as we only have limited access to technical support. With this in mind we are asking that if you would like your child to participate in this program that you purchase your device from the portal. **Devices not purchased directly from the portal will not be supported.** Romsey Primary School will continue to support pre 2024 purchased devices.

To support the roll out of next years BYOD devices, an information night presented by JB Hi-Fi representatives has been organised in **Term 4** on **Monday 13th November** from 6pm to 7pm.

If you are ready to browse and purchase devices, please visit the follow link and the attached brochure for additional information.
