Education and Training

Good Afternoon Families,

How wonderful to see such resilience and stamina from the Grade 3 and Grade 5 students who have been taken part in NAPLAN over the last 2 weeks. Thank you for having a great "have a go attitude". Congratulations! (Thanks also to the Grade 4 and Grade 6 students who supported their peers during the NAPLAN time.)

The Grade 6's have been enjoying taking on a main leadership learning activity this week, working together to adapt traditional fairy tales, making them into fractured fairy tales!

I was fortunate enough to see the Grade 6's work through their tales over 2 days and then, with purpose, have the goal of being ready to perform their fractured fairy tales to their Buddy class from Prep and 1/2. Stage lights were on and the Grade 6 group relished in performing to a packed Multi-purpose space. Well done!

It was so great yesterday to see so many students dress in orange or a splash of orange for Harmony Day. Each class focused on the meaning of Harmony Day and completed fun activities.

Wheels Day and the Meal Deal Day were a fun way to end the week. Positive, expected behaviours are noted by the daily positives students attain and a whole school points total exceeded 4000 points to get us the wheels day.

Just a reminder that we are holding an Easter Raffle. Each family has had a book of raffle ticket (10) sent home. Three main Easter baskets are up for grabs,- including Easter chocolate and treats. Please return your Easter tickets with money by Tuesday 26<sup>th</sup> March. The raffle will be drawn at our end of Term 1 assembly on Thursday 28<sup>th</sup> March from 2pm.

Last week of Term 1- A reminder that we have the Year 3-6 Athletics Monday 25<sup>th</sup> March- all day and P-Year 2 Athletics Thursday morning from 9am-recess. We also have an end of Term 1 assembly on Thursday 28<sup>th</sup> March at 2pm.

End of Term 1 dismissal will be at 2:30pm on Thursday 28<sup>th</sup> March.

A special well done to the Preps for completing their first term of Primary school.

We wish you a great holiday break and thank all students, staff and families for a great first term for 2024.

Mrs Stewart and Mrs Davies

# Important Dates and INFORMATION

## **CSEF 2023—(Camps, Sports & Excursion Fund)**

CSEF Applications are now being accepted for 2024.

If you are a holder of a Health Care Card on the first day of term one 2024 please visit the office for CSEF application form or print a copy of the form which is included in this fortnight's newsletter and return it to the school with a copy of your health care card as soon as possible.

The office can photocopy your HCC card if you do not have access to a photocopier.

**Please note that families are required to apply for CSEF each year, it is not an automatic process.**

## **Canteen**

Please remember orders for the canteen automatically cut off on Qkr at 9:00am sharp each day so please ensure you place your orders early to avoid disappointment.

If you have placed a lunch order via the QKR app and then your child is absent on that day, please contact the office **before 10:00am** to notify us so we can provide your child's lunch order when they return to school. After this time food is thawed and preparation begins therefore a credit or refund will not be given.

**Please be advised that as we are nearing the end of term, the canteen is running down it's stock, therefore there will be limited items available between now and the end of term.**

## **Volunteers Needed**

We are looking for any volunteers who would be available to assist with our Mother's Day stall on Friday 10th May. If you are interested in helping out, please contact the office.

## **Smart phones and watches**

A reminder that students who bring phones to school are to please sign them into the office each morning. If a student has a smart watch that has capabilities of texting or calling then it is imperative that this device is programmed to be off during school hours.

If parents require a message to get to their child during school hours please call the office and we will ensure that the message is passed on.

## **Lost Property**

Lost property is at an all time high! Whilst we do attempt to return labelled clothing and items, the volume of items can often make this task very difficult.

Tubs will be emptied over the coming days therefore we encouraged you to come and have a look before all items are disposed of or donated.

## **RPS Late Arrivals & Early Departures Procedure**

Please remember that if your child is late to school they must present to the office before heading to class to obtain a late pass. This eliminates absence notifications being sent to parents causing unnecessary worry.

If you need to collect your child early from school, please present to the front office to obtain an 'Early Departure' slip from the school Kiosk iPad before heading to your child's classroom. Office staff will happily assist with this if needed.

**In an emergency you may phone the school to arrange for your child to be brought to the office for collection otherwise all parents/guardians are required to collect their child from their classroom to minimise announcements and interruptions to other classes.**

If you need to pick up your child for an appointment, we kindly ask that you arrive 5-10 minutes earlier to allow time to collect your child from their classroom.

For safety reasons, can we please remind families that only people listed as emergency contacts are able to collect your child. If you would like someone to collect your child on your behalf and they are not listed as an emergency contact, you must notify the school accordingly either by phone or email.

If you are not sure who you have listed as emergency contacts for your child, please enquire at the office. A maximum of 4 people can be listed for each family.

If you know in advance that you will not be able to arrive on time it is important for alternate arrangements to be made or to contact the Out of School Hours Program to see if there are any available spaces. This will ensure that your child is suitably supervised. (The Kidzone Out of School Hours Program number is 0481 212 047)

Just a reminder that assembly is held every Monday afternoon at

This is a big THANK YOU to Haley of Peg Play Designs (a lovely parent in our school community) who gifted the school today with some of her hand made wooden peg dolls. We now have some Rainbow Buddies, a beautiful 'Harmony Day' sensory box and a family of peg dolls. Thank you very much Haley as these items will be a welcome addition to our wellbeing program and I am positive they will be very popular with some of our students.

Peg Play Designs 'Rainbow Buddies' have been designed to be as a worry doll. A little doll to hold tight or take to school to take the worry away that a child/student may have with a new transition in life. Sensory boxes, such as our new Harmony Day box, are for imaginary play and can be used to help ease anxiety.

Parents/ Caregivers if this sounds like something you think your child/ren will benefit from please have a look at Haley's site – Peg Play Designs.

## Lillipit the Kangaroo

Sarah Bellman | February 2024

When Alyce moves to her new home on the Macedon Ranges, she's not sure she's going to like it there. But a magical encounter with Lillipit the kangaroo sets her mind at ease. Join Alyce and Lillipit on their first adventure!

### ABOUT THE AUTHOR

Sarah Bellman is a first-time author, but a life-long storyteller, business leader and engineer. Growing up on a small cattle farm in South Australia, Sarah has always had a passion for challenging the status quo and immersing herself into the wonders of the world. Sarah found herself storytelling more than ever before throughout the COVID lockdowns in Victoria, creating avenues of peace, adventure and excitement through imagination and connections with nature. This led Sarah to write down her children's favorite story, "Lillipit The Kangaroo", a tale about a young child who makes friends with a kind Kangaroo; sparking the connection and comfort with nature, building awareness and respect for the environment and highlighting the many adventures that can be had in the bushlands.

### ABOUT THE ILLUSTRATOR

Krista is an artist and art teacher who lives in Sydney, Australia with her partner and two adventurous cats. She enjoys working with every painting and drawing medium, but digital, watercolours and oils are her particular favourites.

Krista has always loved children's illustrations, and it was one of her earliest ambitions to illustrate books herself. She has now illustrated numerous picture books and games, and has had artworks in major exhibitions and competitions. As someone growing up with ADHD, Krista has always had a noisy mind, brimming with pictures and stories. It makes her so happy that she can now put them in books and share them with others.
